Hi Charissa, and Hanh,

Attached please find the enclosure for our letter to the Corps, which contains our substantive comments. I am sorry it took so long; there were a lot of cooks in the kitchen and it takes a fair amount of effort to stitch together all the pieces. I should have the letter done tomorrow morning some time, but I am already working off the clock and need to put this down. Let me know your thoughts, and as soon as the letter is complete, we can give David the two drafts.
